SESSION AGENDA

1:30 Welcome & Opening Remarks

Purpose of this session
Plan overview

2:15 Tabletop Discussions:

1. **Priorities**: What is the small subset of strategies that are a) most important and b) realistic / doable?
2. **Near Term Results**: Are there any quick wins / “low hanging fruit” that could kick-start the priorities in the near term?
3. **How can this work get done?** What organizations or resources can be tapped to provide leadership to advance this goal? What other organizations and resources in the community can contribute?
   Resources could include:
   - Related plans that are being deployed now
   - Partnerships
   - Organizations
   - Community-based teams or multi-organization collaborations
   - Other?

**Discussion Session Instructions**

- Each table group will appoint a willing scribe/reporter. Project facilitators will circulate and give guidance as needed to the groups.
- Maintain focus on the agenda questions. Strive to get through each question.
- Share the airtime – make sure everyone can participate fully.
- If new ideas for advancing the goal are suggested that are not included in the concept draft, document them. They will be considered in the final write-up.
