	Purpose of this session Plan overview	
2:15	Tabletop Discussions:	
	<ol style="list-style-type: none"> 1. <u>Priorities</u>: <i>What is the small subset of strategies that are a) most important and b) realistic / doable?</i> 2. <u>Near Term Results</u>: <i>Are there any quick wins / "low hanging fruit" that could kick-start the priorities in the near term?</i> 3. <u>How can this work get done?</u> <i>What organizations or resources can be tapped to provide leadership to advance this goal? What other organizations and resources in the community can contribute?</i> 	
	<i>Resources could include:</i>	
	<ul style="list-style-type: none"> - <i>Related plans that are being deployed now</i> - <i>Partnerships</i> - <i>Organizations</i> - <i>Community-based teams or multi-organization collaborations</i> - <i>Other?</i> 	
3:15	Break	
3:30	Results Overview	
4:15	Next Steps	
4:30	Session Closing	

DISCUSSION SESSION INSTRUCTIONS

- Each table group will appoint a willing scribe/reporter. Project facilitators will circulate and give guidance as needed to the groups.
- Maintain focus on the agenda questions. Strive to get through each question.
- Share the airtime – make sure everyone can participate fully.
- If new ideas for advancing the goal are suggested that are not included in the concept draft, document them. They will be considered in the final write-up.
