Oregon Broadband Strategic Planning Process and Template Evaluation

Thank you for participating in the Oregon Broadband Strategic Planning Process! The purpose of this brief evaluation survey is to collect your input on how you feel your planning process was organized, whether it was efficient, and how we could improve it.

Name_____

Community_____

1. Please circle a number below

Process	Least Effective —————→ Most Effective				
Did the overall process make efficient use of the participant's time?	1	2	3	4	5
Were the roles of the Champion, Convener, Local Project Trainer, and Sector Hosts well defined and useful?	1	2	3	4	5
Were the sector meetings an efficient use of the participant's time?	1	2	3	4	5
Was the Plenary Session an efficient use of the participant's time?	1	2	3	4	5
Were the check-ins and monthly progress reports an effective way to track your community's progress?	1	2	3	4	5

Do you have any recommendations, comments, and/or suggestions with regards to the overall planning process?

2. Please circle a number below

Template Documents	Least Effective ⟶ Most Effective				
Was the project charter helpful in guiding the projects overall objectives?	1	2	3	4	5
Were the briefing book materials helpful to participants?	1	2	3	4	5
